SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python (Intermediate)
- Java (Intermediate)
- C (Intermediate)
- Web Development(HTML, CSS)

LANGUAGES

- English (Fluent)
- · Hindi (Fluent)
- Bengali (Fluent)
- Japanese (Basic)

KUNTAL GHOSH

CSE (IOT, CS & BCT) STUDENT

PROFILE

An innovative and enthusiastic B.Tech Computer Science student with a strong focus on IoT, Blockchain Technology, and AI/ML. Skilled in Python, Java, and web development, with hands-on experience in building smart systems and real-time applications. Passionate about combining creativity with technology to develop impactful solutions. Also a dedicated songwriter and music composer, with original tracks released on platforms like Spotify and YouTube.

EDUCATION

Bachelor of Technology (CSE - IoT, CS & BCT) 2025 - 2029

University of Engineering and Management, Kolkata

Higher Secondary Education (PCMB)

2023

Krishnath College School

Percentage: 74.8

PROJECTS

Student Grade Management System

Developed a program that manages student records including grades, subjects, and attendance. Included features like CRUD operations, average grade calculation, and sorting by performance.

Tech Stack: Java (Console-based or GUI with Swing)

Spotify Homepage Clone

Built a front-end clone of Spotify's homepage to replicate its layout, responsive design, and UI elements. Implemented hover effects, playlist cards, navigation bar, and dark mode for a seamless user experience.

Tech Stack: HTML, CSS, JavaScript

ACHIEVEMENTS & HACKATHONS

Actively exploring opportunities to participate in hackathons and coding challenges focused on IoT, AI/ML, and Web Development.

Continuously building technical skills through self-initiated projects such as a Spotify Homepage Clone and Smart Home Automation System.

Committed to contributing to future hackathons and project showcases during the B.Tech journey.
